

Carter Funkhouser

Email: carterfunkhouser@gmail.com
 Website: <https://carterfunkhouser.com>

Education

- 2017–present **University of Illinois at Chicago**
 M.A., Clinical Psychology (2018)
 Ph.D., Psychology (in progress)
Advisor: Dr. Stewart Shankman
- 2011–2015 **Connecticut College**
 B.A., Psychology (Minor: Applied Statistics)
 Magna Cum Laude
Honors thesis advisor: Dr. Audrey Zakriski

Funding

- 2020–2022 Ruth L. Kirschstein National Research Service Award
 NIMH F31MH123042
 Role: PI
 Amount awarded: \$83,176
- 2019–2020 Training in the Neuroscience of Mental Health
 NIMH T32MH067631 (PI: Rasenick)
 Role: Trainee
 Amount awarded: \$24,816

Publications (*equal contribution)

18. Shenberger, E. R., **Funkhouser, C. J.**, Boley, R., Zalta, A. K., & Shankman, S. A. (in press). The impact of aversive context on early threat detection in trauma exposed individuals and associations with post-traumatic stress symptoms. *Journal of Affective Disorders Reports*.

Honors and Awards

2017–present	Graduate Student Travel Awards Department of Psychology, University of Illinois at Chicago
2020	Keys Award for Early Outstanding Research Achievement (\$500 departmental award)
2015	Jane W. Torrey Award for the Psychological Study of Social Issues (\$200 departmental award for undergraduate thesis)
2015	Magna Cum Laude
2015	Graduated with Distinction
2014–2015	Student in the Psychology Department Honors Program, Connecticut College
2014	New England Small College Athletic Conference (NESCAC) Student Athlete Award
2013	Psi Chi
2011–2015	Dean’s High Honors, Connecticut College

Invited Addresses

“A Network Approach to Conceptualizing and Modeling Psychopathology.” *Columbia University* (2020), New York, NY.

“Studying the Causes and Classification of Psychopathology.” *University of Illinois at Chicago* (2019), guest lecture, Chicago, IL.

“Measurement of Psychopathology.” *University of Illinois at Chicago* (2019), guest lecture, Chicago, IL.

“Using machine learning to understand processes involved in internalizing psychopathology.” *Northwestern University Department of Psychiatry* (2018), invited colloquia, Chicago, IL.

“Reliability and Validity in Psychopathology Assessment.” *University of Illinois at Chicago* (2018), guest lecture, Chicago, IL.

“Research Domain Criteria.” *University of Illinois at Chicago* (2018), guest lecture, Chicago, IL.

“Evaluating peer-peer depression outreach: College students helping peers approach and respond to students in crisis.” *New England Psychological Association* (2016), Worcester, MA.

“An outcome evaluation of a peer-based suicide prevention program for college students.” *Connecticut College Psychology Department Conference* (2015), New London, CT.

Conference Poster Presentations

24. **Funkhouser, C. J.**, Gillespie, N. A., Aggen, S. H., & Shankman, S. A. (September, 2021). *A twin study testing the direction(s) of causation between stressful life events and internalizing symptom dimensions*. Poster presented at the 34th annual meeting of the Society for Research in Psychopathology, Virtual Meeting.
23. Nabb, C. B., **Funkhouser, C. J.**, & Shankman, S. A. (September, 2021). *Maladaptive personality traits as potential endophenotypes for smoking*. Poster presented at the 34th annual meeting of the Society for Research in Psychopathology, Virtual Meeting.
22. Crane, N. A., **Funkhouser, C. J.**, Burkhouse, K. L., Klumpp, H., Phan, K. L., & Shankman, S. A. (December, 2020). *Cannabis users demonstrate enhanced neural reactivity to reward: An event-related potential and time-frequency EEG study*. Poster presented at the 59th annual meeting of the American College of Neuropsychopharmacology, Virtual Meeting.
21. **Funkhouser, C. J.**, Kaiser, A. J. E., Carrillo, V. L., Hoffman, L., Alqueza, K. L., Auerbach, R. P., & Shankman, S. A. (May, 2020). *Depression risk factors and affective dynamics: An experience sampling study*. Poster presented at the 32nd annual meeting of the Association for Psychological Science, Virtual Meeting.
20. **Funkhouser, C. J.**, Chacko, A. C., Correa, K. A., & Shankman, S. A. (September, 2019). *Unique longitudinal associations between symptoms of psychopathology in youth: A cross-lagged panel network analysis in the ABCD study*. Poster presented at the 33rd annual meeting of the Society for Research in Psychopathology, Buffalo, NY.
19. Kaiser, A., Correa, K. A., **Funkhouser, C. J.**, Shenberger, E. R., & Shankman, S. A. (September, 2019). *The association between frontal EEG asymmetry during reward anticipation and familial risk for specific depressive symptoms*. Poster presented at the 33rd annual meeting of the Society for Research in Psychopathology, Buffalo, NY.
18. Shenberger, E. R., Kaiser, A. J. E., Correa, K. A., **Funkhouser, C. J.**, & Shankman, S. A. (September, 2019). *Exploring the relationship between maladaptive personality traits, sibling relationship quality, and depression severity: An actor-partner interdependence model*. Poster presented at the 33rd annual meeting of the Society for Research in Psychopathology, Buffalo, NY.

17. Correa, K. A., **Funkhouser, C. J.**, Carrillo, V. L., Kaiser, A., & Shankman, S. A. (September, 2019). *Racial and ethnic differences in treatment seeking individuals*. Poster presented at the 33rd annual meeting of the Society for Research in Psychopathology, Buffalo, NY.
16. Shenberger, E. R., **Funkhouser, C. J.**, Meissel, E. E. E., & Shankman, S. A. (May, 2019). *Do the four PTSD symptom clusters have differential associations with attentional biases to threat?* Poster presented at the 74th annual meeting of the Society of Biological Psychiatry, Chicago, IL.
15. Klemballa, D. M., Correa, K. A., **Funkhouser, C. J.**, & Shankman, S. A. (March, 2019). *Associations between contextual threat and respiratory sinus arrhythmia*. Poster presented at the 39th annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
14. Chacko, A. C., **Funkhouser, C. J.**, Maki, P., & Shankman, S. A. (April, 2019). *The moderating effect of sex on startle response to threat in those with and without Social Anxiety Disorder*. Poster presented at the University of Illinois at Chicago Impact and Research Day, Chicago, IL.
13. **Funkhouser, C. J.**, Gorka, S. M., Nelson, B. D., Phan, K. L., & Shankman, S. A. (March, 2019). *The replicability and generalizability of internalizing symptom networks across five samples*. Poster presented at the 39th annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
12. Kaiser, A., **Funkhouser, C. J.**, & Shankman, S. A. (March, 2019). *The test-retest reliability and familialness of aggregated vs. unaggregated depression symptoms*. Poster presented at the 39th annual meeting of the Anxiety and Depression Association of America, Chicago, IL.
11. **Funkhouser, C. J.**, Leow, A., Kinney, K. L., Correa, K. A., & Shankman, S. A. (September, 2018). *Toward a data-driven nosology of internalizing psychopathology: Identifying and validating clusters of negative valence constructs using machine learning*. Poster presented at the 32nd annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.
10. Correa, K. A., Stevens, E. S., **Funkhouser, C. J.**, & Shankman, S. A. (September, 2018). *A longitudinal study examining the incremental predictive validity of intolerance of uncertainty*. Poster presented at the 32nd annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.
9. Klemballa, D. M., **Funkhouser, C. J.**, & Shankman, S. A. (September, 2018). *Respiratory sinus arrhythmia as a familial vulnerability factor for internalizing and externalizing psychopathology*. Poster presented at the 32nd annual meeting of the Society for Research in Psychopathology, Indianapolis, IN.

8. Nannini, S. R., **Funkhouser, C. J.**, Meissel, E. E., & Shankman, S. A. (April, 2018). *Borderline Personality Disorder and the PID-5 predicting current suicidality*. Poster presented at the 90th annual meeting of the Midwestern Psychological Association, Chicago, IL.
7. **Funkhouser, C. J.**, Carrillo, V. L., Correa, K. A., & Shankman, S. A. (October, 2017). *Physiological habituation to aversiveness and non-suicidal self-injury: A test of acquired capability for suicide*. Poster presented at the 57th annual meeting of the Society for Psychophysiological Research, Vienna, Austria.
6. **Funkhouser, C. J.**, Meissel, E. E., Kujawa, A., & Shankman, S. A. (April, 2017). *The association between negative cognitive style and neural reactivity to social acceptance vs. rejection*. Poster presented at the 37th annual meeting of the Anxiety and Depression Association of America, San Francisco, CA.
5. **Funkhouser, C. J.**, Lieberman, L., & Shankman, S. A. (September, 2016). *The association between neural responses to errors and family history of OCD*. Poster presented at the 30th annual meeting of the Society for Research in Psychopathology, Baltimore, MD.
4. Liu, H., **Funkhouser, C. J.**, Sarapas, C., & Shankman, S. A. (September, 2016). *Reliability of two measures of attention to emotional stimuli*. Poster presented at the 30th annual meeting of the Society for Research in Psychopathology, Baltimore, MD.
3. Meissel, E. E. E., **Funkhouser, C. J.**, Liu, H., & Shankman, S. A. (September, 2016). *Investigating the reliability of different measures from the dot-probe task and using personal and family history of social anxiety disorder as validators*. Poster presented at the 30th annual meeting of the Society for Research in Psychopathology, Baltimore, MD.
2. Jabbar, S., & **Funkhouser, C. J.** (April, 2016). *The relationship between birth order and risk-taking*. Poster presented at the UIC GPPA Medicine Capstone Forum, Chicago, IL.
1. **Funkhouser, C. J.**, Liu, H., Hee, D., & Shankman, S. A. (October, 2015). *Does reward learning predict changes in depression?: A preliminary study*. Poster presented at the 29th annual meeting of the Society for Research in Psychopathology, New Orleans, LA.

Clinical Experience

- | | |
|-----------|--|
| 2020 | Obsessive-Compulsive and Related Disorders Clinic
University of Chicago <ul style="list-style-type: none"> • Provided empirically-supported psychotherapy |
| 2017–2020 | Office of Applied Psychological Services
Department of Psychology, University of Illinois at Chicago <ul style="list-style-type: none"> • Provided empirically-supported psychotherapy (15 clients seen) • Conducted 16 diagnostic intake assessments |

- Mentored junior students completing diagnostic intakes
- Administered neuropsychological assessments and interpret, document, and communicated the results of assessments to clients, supervisors, and colleagues (6 cases completed)

2019 Women's Mental Health Research Program
Department of Psychiatry, University of Illinois at Chicago

- Worked as a paid Graduate Research Assistant supervising graduate students learning to administer the SCID

2015–2018 Chicago Lab of Emotion and Physiology
University of Illinois at Chicago

- Conducted 75 SCIDs and 105 Longitudinal Interval Follow-Up (LIFE) interviews with adults with various psychopathologies

Editorial Experience

Ad Hoc Reviewer: European Psychiatry, Journal of Abnormal Psychology (with advisor), Psychotherapy (with advisor), Clinical Psychological Science (with advisor)

Teaching Experience

2018–2019 Teaching Assistant, University of Illinois at Chicago

- PSCH 333 Laboratory in Clinical Psychology (Fall 2018, Spring 2019, Fall 2019)

Senior Thesis Advisees

2015–2016 Saadiya Jabbar
Title: The relationship between birth order and risk-taking
Subsequent position: Medical student, University of Illinois at Chicago

2017–2018 Sierra Nannini
Title: Borderline personality disorder and the PID-5 as risk factors for suicide
Subsequent position: Research assistant, University of Pittsburgh

2018–2019 Anjali Chacko
Title: The moderating effect of sex on startle response to threat in those with and without social anxiety disorder
Subsequent position: Medical student, Eastern Virginia Medical School

Professional Memberships

Society for a Science of Clinical Psychology
Society for Research in Psychopathology

Anxiety and Depression Association of America
